

"Heather Thomson dares her readers to embrace the venture of peacemaking by offering a vision of reconciliation underpinned by restorative rather than punitive justice. With great sensitivity, honesty and understanding she draws on the insights of post-apartheid South Africa's Truth and Reconciliation Commission to reveal the full cost of the things that make for peace. A wonderfully written book and compulsory reading for anyone daring to give peace a chance".

Reverend Dr Ockert Meyer, former Cape Town parish minister

The book will be launched at St Mark's Commencement of Semester Function:
